EDUCATION

Shri Vaishnav Vidyapeeth Vishwavidyalaya	Indore
Master of Computer Application ,CGPA: 7.35	2022 - 2024
Govt. Holkar Science College	Indore
Bachelor of Science (Computer Science)	2019 – 2022

SKILLS SUMMARY

- **Frontend Development:** React, HTML, CSS, Redux
- **Backend Development:** Node.js, Express
- **Version Control:** Git
- **API Development:** RESTful APIs
- **Full Stack Development:** MERN Stack

PROJECTS

Apnakirana.com

- Frontend Technology: Created an engaging user interface using React JS, ensuring a smooth and interactive browsing experience across devices.
- Backend Technology: Engineered robust backend logic utilizing Node.js and Express.
- State Management: Implemented Redux for state management.
- Hosting: Successfully deployed the website to a hosting platform. Hosted website link: <https://apnakiranafront.onrender.com/>

Top Headlines

- Frontend Technology: Employed HTML, CSS, and React to craft an intuitive user interface, ensuring a visually appealing and responsive design.
- Integration with News API: Integrated the News API seamlessly to fetch and display the latest news articles, ensuring up-to-date and relevant content for users.

Diary

- iNoteBook provides users with a comprehensive platform for seamless note management, offering features such as reading, writing, updating, and deleting notes.
- Technologies: Built using the MERN (MongoDB, Express.js, React.js, Node.js) stack.
